

THE SPEECH

Thank you for coming to Churrascaria Saudades. My name is _____. Have you dined with us before?

We are an authentic Southern Brazilian Steakhouse. We have an unlimited salad bar and the traditional Rodizio meat service.

After you have had as much of our salad as you like and you are ready for the Meat Course just take that little red disk to your right and flip it over to the green side. This lets the gauchos know you are ready for any one of a variety of cuts of beef, chicken, leg of lamb, pork, & sausage, which they will bring right to your table, one at a time, in no specific order. They are going to walk up with large skewers of meat. They will tell you exactly what they have. You can say yes or no. All we ask is that you grab the tongs and help guide that meat right to your plate.

If you need to take a break, just flip that little disk back to the red side. We will stop offering you the meat, but you can go back and forth, red to green, as often as you wish. My name is _____, but we all work as a team here. If you need anything at all, grab the first person that you see.
